Dear Mr. Chairman,

I have attached a letter from Stuart Lawley addressed to you and copied to the members of the GAC and ICANN Board, which responds to the letter posted on the ICANN website from Assistant Secretary John Kneuer regarding the ICM registry agreement.

By copy of this letter to the GAC secretariat and ICANN's general counsel, John Jeffrey, I respectfully request their respective assistance in distributing a copy of this correspondence to the members of the GAC and the members of the ICANN Board. ICM believes that it is critical that the members of the GAC and the ICANN Board have the opportunity to review this letter as soon as possible, given the discussions already underway.

We also request that the letter be posted as promptly as possible on the ICANN website.

As ever, ICM Registry is available at your convenience to answer any questions that you, the GAC, or any GAC member may have.

Sincerely,

Becky Burr
