Dear Mr Khan,

Thank you for your letter of 21 January 2010, regarding my recent visit to UNESCO's Headquarters and the signing of the cooperation agreement between our organisations. I too regret that you could not be with us to celebrate this important occasion which, as you note, provides a concrete example of 'enhanced cooperation' in the context of the WSIS Tunis agenda.

I look forward to continuing the tremendous spirit of cooperation between our two organisations in pursuit of the important goal of an Internet which is accessible to everyone around the world.

Yours sincerely,

Rod Beckstrom
