Mr. Paul Diaz  
Chair, gTLD Registries Stakeholder Group

Dear Paul,

Thank you for your letter of 22 June 2017 with the gTLD Registries Stakeholder Group's (RySG) updated proposal for a voluntary pilot program for Registration Data Access Protocol (RDAP) implementation. Your letter has been published on the ICANN correspondence page at <https://www.icann.org/en/system/files/correspondence/diaz-to-atallah-22jun17-en.pdf>.

We appreciated the discussions regarding RDAP during the ICANN59 meeting in Johannesburg, South Africa and I thank you for the positive dialogue we have had on this topic.

Thank you for your continued collaborative efforts toward a mutually acceptable path forward for RDAP implementation.

Sincerely,
