Dear Ray,

Thank you for your letter dated 5 December 2017 regarding continued ICANN financial support for ICANNWiki.

ICANN admires the work of ICANNWiki and we continue to believe in your mission and the support you provide to the community. In addition, since your letter was sent a number of community members provided public comments in support of ongoing contributions from ICANN (<https://www.icann.org/en/system/files/files/report-comments-fy19-budget-24apr18-en.pdf>).

In light of both your efforts and the community support we revised the budget to reflect continued funding for ICANNWiki, albeit at a reduced rate, for the next two fiscal years.

In closing, we look forward to our continued fruitful collaboration.
