RE: Accountability and Transparency Review Team Final Report

Cheryl Langdon-Orr, Co-Chair
Pat Kane, Co-Chair
3rd Accountability and Transparency Review Team

Dear Cheryl and Pat,

Thank you for your [3 April 2020 letter](#) advising the Board of the third Accountability and Transparency Review Team's (ATRT3) delay in submitting its final report to the Board. The Board understands that changing the ICANN67 meeting to remote participation-only has impacted ATRT3's work, and thanks the ATRT3 for its diligent work and continued commitment to completion of this important review. The Board looks forward to receiving the final report in May 2020.

Sincerely,

Maarten Botterman
Chair, ICANN Board of Directors
