

**Procedure for Community gTLD Change Requests - Questionnaire**  
**April 2018**

**ANNEX A: Community gTLD Change Request Questionnaire**

The terms used in Annex A have the same meaning ascribed to them in Section 1 (Definitions) of the Procedure for Community gTLD Change Requests.

<b>1. Description of the Community gTLD Change</b>	
1.1 Describe the Community TLD's current eligibility requirements and/or restrictions on use; how the community is governed; how the community's input is gathered (i.e. mechanisms the RO has for the TLD community to "discuss and participate in the development and modification of policies and practices for the TLD"); and how any of these details are impacted by the Community gTLD Change Request.	
1.2 What is the motivation and rationale for this Change Request?	
1.3 What are the benefits to the TLD Community of the Community gTLD Change?	
1.4 What potential detriment would there be to the existing TLD Community as a result of the Change Request? If any, identify the group and explain what measures would be adopted to minimize the potential detriment.	
1.5 What are the benefits to the Registry Operator of the Community gTLD Change?	
1.6 Explain if this Community TLD Change will broaden or narrow the eligibility and/or name selection requirements. Explain why you believe this Community TLD Change will not excessively broaden or narrow current eligibility and/or name selection requirements.	
<b>2. Consultation</b>	
2.1 Please describe with specificity your consultations with the TLD Community, experts, representative governing bodies and/or others

April 2018**

(e.g., TLD registrants, end users). What were the quantity, nature, and content of the consultations? Provide supporting documentation of this consultation.	
2.2 What policies and/or procedures did the Registry Operator follow in development of the Community gTLD Change? If applicable, describe the Community gTLD's rules or standards that govern these types of changes.	
2.3. If the Registry Operator conducted its own public comment period, describe the results and explain the outcome, if any, on the proposed Community gTLD Change?	
2.4 Did you consult with the ICANN community, experts and/or others? What were the quantity, nature, and content of the consultations?	
2.5 Please provide supporting documentation of the TLD Community's support.	
<b>3. Specification 12 Provisions</b>	
3.1 List the relevant Specification 12 provisions impacted by the Community gTLD Change.	
<b>4. Contract Amendments</b>	
4.1 Provide the necessary draft contractual amendment for the Community gTLD Change.	
<b>5. Timeline</b>	
5.1 Describe the timeline for implementation of the Community gTLD Change.	
5.2 If approved, explain how the changes would be communicated to the TLD Community.	
<b>6. Other</b>	

**Procedure for Community gTLD Change Requests  
April 2018**

6.1 Describe any other relevant information related to the Community gTLD Change.	
6.2 Provide any other supplementary documentation related to the Community gTLD Change.	
6.3 Describe if this Community TLD Change Request will require updates to any other contractual or policy obligations to implement the change if this Change Request is approved.
