Re: Change Request 127557 for Application ID 1-1309-46695 (KIDS)

Dear Mr. Edmon Chung:

This letter is to inform you that the change request to modify Questions 18(a)(b)(c) and 20(a)(b)(c)(d)(e) has been deferred for consideration. This change request was carefully evaluated by the several decision criteria described on the New gTLD microsite (<http://newgtlds.icann.org/en/applicants/customer-service/change-requests>).

In order to be fair to other applicants, we will defer this change request until the completion of Community Priority Evaluation (CPE) for this application. We ask that you resubmit this change request at the end of CPE.

The change request to modify Question 20(f) has been approved. Please confirm that you would like us to add the additional letters of support to the application materials.

Thank you for your cooperation and patience regarding this change request. Please let us know if you have any further questions regarding the application.

Sincerely,

Christine Willett  
Vice President, gTLD Operations  
ICANN
