

Standard Amendment Language

Registration Validation per Applicable Law **without** Proxy

Version: June 2019

The following standard amendment language has been previously approved by ICANN organization for this specific Registry Service as requested through the Registry Services Evaluation Policy (RSEP) process. Upon approval of an RSEP request for the specified Registry Service, the registry operator and ICANN org would proceed to execute a Registry Agreement amendment incorporating this language into Exhibit A of the Registry Agreement, or as an appropriate addendum or appendix.

“[#]. **Registration Validation per Applicable Law**

Registry Operator may perform registration validation to comply with applicable local law in a given jurisdiction. The registration validation process, by which the Registry Operator subjects domain name registrations to validation, will be subject to the criteria required by the applicable local law in the jurisdiction. Domain names that are subject to the registration validation process in the subject jurisdiction that do not pass registration validation in that jurisdiction may be suspended, deleted or otherwise updated by the Registry Operator as required by applicable local law.”
