Dear John,

As you know, the Internet Corporation for Assigned Names and Numbers ("ICANN") recently received the attached letter from Depository, Inc. with the subject line of "Bulk Access Denial by the American Registry for Internet Numbers." This letter has also been posted on the ICANN correspondence page at <http://www.icann.org/en/correspondence/holtzman-to-beckstrom-27jan11-en.pdf>.

Before we make a determination as to whether any action by ICANN is warranted, we would like to get American Registry for Internet Numbers' ("ARIN") position on the issues raised in the attached letter. Accordingly, please provide to us, at your earliest convenience, any information that you think might be helpful to our analysis of the issues raised by Depository, Inc.

Thank you for your cooperation and please do not hesitate to contact me if you have any questions.

Regards,

Rod Beckstrom
President and CEO
