**THE INTERNET CORPORATION FOR ASSIGNED NAMES AND NUMBERS**

Mr. Göran Marby, President and CEO

**Re: Request regarding the changes of ICANN representative(s) on behalf of Government of Montenegro**

Dear Mr. Marby,

Due to changes in the Government of Montenegro we would like to inform you that the Ministry of economy is, from now on, the national authority of Montenegro that looks after matters related to Internet governance, including those under the purview of ICANN.

Regarding to this, the Ministry of Economy has officially requested by the Government of Montenegro to change the ccTLD manager, government representative in ICANN. On 25 government session, which was held on 11 May 2017, Information with proposed changes have been accepted.

According to the Conclusion of the Government, the new ccTLD manager for national domen ".me" is Prof. doc Bozo Krstajic, administrative contact on behalf of the Government of Montenegro.

Please find the relevant point of contact information below:
