Alan Greenberg  
Chair, RDS-WHOIS2 Review Team

Dear Alan,

Thank you for the letter you sent us on 5 June 2018, on behalf of the RDS-WHOIS2 Review Team, which was also submitted as a [public comment](#), to request that all RDS-WHOS2-related options be removed from the public comment period, noting the significant progress in the work of the RDS-WHOIS2 Review Team over the last couple of months. ICANN organization has updated the [Short-Term Options to Adjust the Timeline for Specific Reviews](#) public comment proceeding to remove the RDS-WHOIS2 options, at the Review Team's request.

Thank you and the rest of the Review Team for your dedication and work on this important review.

Best regards,
