RE: NOTICE OF TERMINATION OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. Petrov:

Please be advised that the Registrar Accreditation Agreement (RAA) between the Internet Corporation for Assigned Names and Numbers (ICANN) and ISPREG LLC (ISPREG) is terminated and, consistent with the terms of the RAA, the termination shall become effective on 11 March 2010. As explained in greater detail below, this termination is based on ISPREG's failure to cure the breach set forth in ICANN's letter dated 22 June 2009.

ICANN demands that ISPREG remove all ICANN's trademarks immediately from ISPREG's website and business materials that were licensed to ISPREG under the terms of the logo license Appendix to the RAA, as this logo license is revoked.

Be further advised that VeriSign, Inc. (VeriSign), the registry for .net and .com TLDs, may commence deleting domain names currently managed by ISPREG on 11 March 2010, or shortly thereafter, based on ISPREG's failure to cure breaches cited by VeriSign in its notice of breach of registry-registrar agreement. You are encouraged to contact ICANN's Registrar Liaison Manager, Mike Zupke at mike.zupke@icann.org, to designate a bulk transfer recipient on or before 18 February 2010.

Failure to pay accreditation fees pursuant to Section 3.9 of the RAA

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. ISPREG currently owes ICANN \$ 8,303.00 in past due and current accreditation fees.

Notices regarding ISPREG's past due accreditation fees, including detailed customer statements, were transmitted to ISPREG on 24 April 2009, 22 June 2009, 24 July 2009, 23 September 2009, and 23 October 2009.

On 22 June 2009, ICANN sent ISPREG a notice of breach of its RAA based on ISPREG's failure to pay past due accreditation fees. ISPREG failed to cure this breach in the time period allowed by the RAA.

Based on ISPREG's failure to cure the breach of Section 3.9, and in accordance with Section 5.3 and 5.3.4 of the RAA, ICANN hereby gives ISPREG notice that ISPREG's accreditation will terminate on 11 March 2010.

Conclusion

Based on ISPREG's failure to cure the breach set forth in ICANN's notice of breach dated 22 June 2009, ICANN is terminating the RAA, effective 11 March 2010. In the interest of protecting domain name registrants, ICANN must immediately commence the domain name transition process and solicit bids for a qualified ICANN accredited registrar to manage the domain names currently managed by ISPREG.

To facilitate the transition of the domain names currently managed by ISPREG, ICANN will follow its De-Accredited Registrar Transition Procedure (Procedure) <http://www.icann.org/en/processes/registrars/de-accredited-registrar-transition-procedure-01oct08.pdf>. ICANN encourages ISPREG to read the Procedure in its entirety. Consistent with the Procedure, we are requesting that ISPREG designate a transfer recipient on or before 18 February 2010. Please contact ICANN's Registrar Liaison Manager, Mike Zupke at mike.zupke@icann.org to designate a bulk transfer recipient. We anticipate the full cooperation of ISPREG during the transition.

Kindly note, however, that your designation of a bulk transfer recipient does not prejudice ICANN's right to the Registration Data Escrow data and other rights under the RAA, as well as ICANN's right to transfer domain names to a registrar of our choosing pursuant to the Procedure.

Be advised that termination of ISPREG's RAA does not relieve ISPREG of the obligation to pay accreditation fees thereunder, which should be paid immediately. ICANN reserves the right to pursue all means available to collect all accreditation fees owed by ISPREG, including the past due amount of \$8,303.00.

It is ICANN's goal to protect registrants from unnecessary harm and we look forward to amicably resolving any domain name transition issues that may arise from this termination. Please feel free to contact Stacy Burnette (Director, Contractual Compliance) at stacy.burnette@icann.org or Pam Little (Senior Director, Asia Pacific) at pam.little@icann.org if you have any questions or if we can be of any assistance to you.

Very truly yours,
