# Open Discussion Questions

---

As noted in Maarten's letter to Philippe on 24 Jan 2022:

1. What is the Council's reaction to the Board's concerns regarding the estimated time, costs, and level of effort of the proposed SSAD design?
2. If the Council shares the Board's concerns, the Board would welcome the Council's input on the next steps for considering the recommendations.
3. Does the Council have other suggestions that address the cost and complexity concerns we cited above?
