Subject: ICANN seeks gaining registrar for bulk transfer

Dear Registrar,

As the result of the [pending](#) termination of the accreditation of Tong Ji Ming Lian (Beijing) Technology Corporation Ltd. (Trename), ICANN is seeking expressions of interest from ICANN-accredited registrars that might wish to assume sponsorship of the gTLD names that were managed by this registrar. ICANN intends to bulk transfer the affected gTLD names to a single gaining registrar.

The terminated registrar sponsors approximately 6,000 registrations in total, in .TEL.

ICANN-accredited registrars who wish to be considered as potential recipients of this bulk transfer should ensure that they are in good standing with regard to all ICANN obligations, accredited in the aforementioned TLD, and submit an Expression of Interest (see attached) by email to registrar@icann.org by no later than Thursday, 27 September 2018.

This request for expressions of interest is made pursuant to the De-Accredited Registrar Transition Procedure posted at <https://www.icann.org/en/system/files/files/dartp-11jul13-en.pdf>. ICANN reserves the right to entertain any or none of the statements of interest

submitted in response to this request and to select or approve a bulk-transfer recipient outside this process.

Registrar questions and expressions of interest should be submitted by reply email to registrar@icann.org. Thank you in advance for your participation.

Best regards,

Jennifer Gore
