**Subject:** Trademark Database System Maintenance

Dear Registrar,

This message is to notify you of an upcoming maintenance window for the Trademark Database (TMDB). This maintenance will not change the functionality of the TMDB and will not impact any other ICANN service.

There will be a maintenance window on 13 Aug 2018 from 07:00 UTC to 11:00 UTC.

During this time List of Registered Domain Name (LORDN) file uploads will not be available. Please plan to upload registry LORDN files outside of this window. We do not expect any impact to the other TMDB functions including the Domain Name List (DNL), SMD Revocation List (SMDRL), (Sunrise Revocation List) SURL or Claims Notices Information Service (CNIS).

If you have any questions, please contact the ICANN Global Support Center at [globalsupport@icann.org](mailto:globalsupport@icann.org).

Kind Regards,

ICANN Global Support Center
