Subject: Notice to RRI Users - Upcoming RRI Maintenance

Dear Colleagues,

Please be aware that the ICANN org will be performing scheduled platform maintenance to the Registry Reporting Interface (RRI) on 12 July 2018 starting at 15:00 Universal Coordinated Time (UTC) and ending at 21:00 UTC. RRI may be offline and unavailable to all users during this maintenance window, so please plan accordingly.

We apologize in advance for any inconvenience. This maintenance will not change any functionality of the RRI service, and will not impact any other ICANN org services.

If you have questions please contact ICANN's Global Support Center by email or at one of the phone numbers found here.

Best regards,
